

Kanyashree College

**556, Diamond Harbour Road
Behala, Manton
Kolkata-70003**

Prospectus

Kanyashree College, a new college conceived by the Government of West Bengal for the education and empowerment of girl students, is situated at 550 D. H .Road, Behala, Manton. The College was established on 23rd December, 2020. The journey of the college has just begun.

Mission and Vision

The necessity and importance of women's education needs no emphasis. Deferring to this, the Government of West Bengal, has set up yet another government college devoted exclusively to educating and empowering the girl student. Kanyashree College, set up in December 2020, offers space and scope to the girls to enhance their academic credentials and orient themselves. The college, presently, has two departments— GEOGRAPHY Honours and BCA. The college is affiliated to the Calcutta University for its Geography Honours and the Maulana Abdul Kalam University of Technology for its BCA course of under graduate studies. Geographically, the college is located in South 24 Parganas but the college campus is very much within the ambit of Kolkata. The college promises to offer more courses in the future, blending conventional disciplines with those geared towards meeting the newer demands of the employment sector. Kanyashree College offers education with a difference. The college has smart class rooms and a state of the art Seminar room where the students participate in state level, national and internal seminars to critically examine the shifting trends of intellectual thought. Simultaneously, a gamut of extracurricular activities encourages the students to identify and nurture their hobbies, interests and latent talents while pursuing mainstream academics. They are encouraged and guide to interact with the students of other colleges so that they mature through the experience. The impact is holistic. At the end of their academic tenure, they stride out of the portals of the college as rational, skilled, professional and confident citizens ready to take their legitimate and inalienable place and contribute to the new and shining India. We wish them success in all their ventures in the years ahead.

Kanyashree College is committed to its role in the development of society by providing a clean and stimulating environment for an inclusive and complete education. The college attempts to blend personal proficiency and professionalism with a commitment to social, community and environmental values and ethics while keeping pace with scientific and academic developments. The teaching-learning experience is an engaging dialectics. Kanyashree College, through its modern and academic curricula, is committed to educating and enhancing the skills of its students and provides them a level playing field cutting across differences in caste, creed and class. It also fosters and supports their dreams and aspirations, and helps them realize them and script HERSTORY **Principal's Message**

Welcome to Kanyashree College, a community that authentically lives its legacy as a Higher Education Institution under the Government Of West Bengal that empowers our girls to be active and informed citizens, inspired to shape a more just and equitable world for all. Our college motto, Ad Altiora, “Ever Higher” sums up this reaching to be our best selves. It inspires and uplifts every member of our students, staff and the wider community through its best-practice education policies and procedures. Visitors to Kanyashree College immediately notice the feeling of serenity and happiness. The sense of peace comes from our immaculately presented, green environment with lovely spaces for our girls to sit and chat during break times. You will feel a sense of joy coming from the girls as they move around and interact in an environment in which they clearly feel very much at home. When young women feel comfortable and supported, they are able to be extended and challenged. Our contemporary, evidence-informed approach to teaching and learning focuses on developing the skills of critical thinking, communication, collaboration and creativity – alongside spirituality, self-awareness and wellbeing. We have a highly dedicated and expert teaching and support staff negotiating a wide range of subjects and a diverse co-curricular program. At the same time our Learning Support team is committed to meeting the needs of all students. Our college vision, “Growing Learners: every student, every teacher, every lesson,” is realised through dynamic teaching and personalized learning giving each girl the opportunity for independent thinking and self-discipline. We want our young women to leave Kanyashree College empowered to do their best through the experiences of leadership and social justice alongside diverse curriculum opportunities. I hope that you find our website informative. If there is anything more you would like to know, please contact us at the college.

Eligibility for Admission to the Geography Honours Course

1. Admission Qualifications:

A candidate who has passed the Higher Secondary (10+2) or its equivalent examination is eligible to seek admission to the First Semester of the Six Semester B.Sc.(Honours) Course of studies provided he/she has also passed in English having full marks not being less than 100. However, no candidate, in general, shall be allowed for admission after a lapse of more than 3 years from the year of passing the previous qualifying examination. The year of admission shall not be taken into account while calculating 3 years from the year of passing the previous qualifying examination. For the purpose of determining eligibility for admission to the Honours Course, aggregate marks shall be calculated by adding the marks of top four subjects in order of marks secured by a candidate. However, marks in compulsory Environmental Education/Studies shall not be taken into account for calculation of aggregate marks. If the subject "Environmental Science" is studied as an elective subject of 100 marks, it may be taken into account for the purpose of determining the aggregate marks.

2. Eligibility Condition:

A candidate taking up Honours Course in a subject must have obtained:

i) A minimum of 50% marks in the aggregate and 45% marks in the subject or related subject at the previous qualifying examination.

OR

ii) 55% marks in the subject or related subject at the previous qualifying examination.

OR

iii) 50% marks in the aggregate when the candidate has not studied the subject in his/her previous qualifying examination provided all the other clauses are satisfied.

Candidates belonging to the Scheduled Caste or Scheduled Tribe Community taking up Honours Course of study must have obtained a minimum of 40% marks in the aggregate or 40% marks in the subject or related subjects at the previous qualifying examination, as the case may be.

However, if in any Honours subject, the number of applications are so low that even the permitted intake of the college cannot be filled up, then the Principal may use his/her discretionary power to reduce the minimum requirement for admission in that subject.

3. Required Subjects (10+2) & ELIGIBILITY CRITERIA

SL. NO .	HONOURS SUBJECT	SUBJECTS REQUIRED TO PASS IN 10+2 [As per WBSU norms]	ELIGIBILITY CRITERIA
1	GEOGRAPHY*	Geography/Economics/ Statistics/Mathematics/Business Economics with Business Maths	As per University of Calcutta Norms
